### 7. REPORTS:

- **a. TRUSTEE FELDHUSEN** Another great Fishing Derby, everyone did a wonderful job. Fireworks were fantastic.
- **b.** TRUSTEE STANKUS- Nothing at this time
- **c. CLERK BRANCHEAU** Total AV Ballots sent out is 117, so far 70 have been returned and 3 spoiled. Please remember to get them in.
- **d. TREASURER KOSKI** Had a very good audit with a record low number of adjusting journal entries needed of only 26.
- e. **DPW** Nothing at this time
- **f. IOHT** They still have the \$22,000 waiting for us
- **g. FIRE/AMBULANCE** Nothing at this time
- **h. PLANNING COMMISSION** Chairman Oakley thanked the board for the opportunity to serve, need to go back to the lawyer on the Marijuana Zoning, but Supervisor Ulrich stated that was already done. Rec plan is ready for 30- day notice and the PC is working on the 5- year plan among other things.
- i. **ZONING ADMINISTRATOR** written report submitted. Trustee Stankus stated that the salary for ZA had more than doubled in the last two months, perhaps it is time to raise rates for permits.

- j. ORDINANCE ENFORCEMENT Report is on file. Ongoing situation that the Zoning Administrator wrote letters about is under control and the resident is complying with our demands, water and sewer hook ups are being dealt with. We will keep an eye out and monitor it. The language regarding water and sewer hook ups needs to be amended to put in time limits and currently there is no language in the Blight ordinance regarding grass cutting requirements, so we need to revisit that.
- k. SUPERVISOR/ASSESSOR -- Safety Meetings with DPW every month, and had July BOR. Have inspected 20 parcels since last month. Have spoken with the RM School board regarding lawn mowing, will discuss later. Lindholms have been continued until November. Have received two call backs on the timber harvesting and they have stated that it is not worth it unless we allow them to take some hardwoods. And one harvester stated he would not be able to do it until next year, so this will be ongoing for a bit. Also spoke with Mrs. Hiber about the one greenhouse building on their property that is encroaching on our property
