REPUBLIC TOWNSHIP BOARD SPECIAL MEETING MARCH 10, 2014

The meeting was called to order at 9:30 a.m. All board members were present.

The purpose of the meeting is to discuss purchasing a new welder for the township. Trustee Terry informed us that there are pros & cons on using a welder to thaw water lines. They could possibly be banned in the future for that purpose because of causing house fires. He suggested we get prices on the following:

Icebreaker 450 Pipe Thawer
Miller Dimension 452 Multi Process Welder
Magic Kist Pulse Jet De-Icer

Availability and prices will be researched on these items and the board will hold a special meeting on Wednesday, March 12 at the beginning of the budget workshop at 10:00 a.m. If material isn't gathered by then we will hold a meeting on Thursday, March 13.

Public Comment: Fred Nannestad
Keith Perry

Meeting adjourned at 10:00 a.m.

Marilyn Brancheau
Clerk
