The Michigamme Basin WIFA met in regular session at 4:30 P.M. at the Republic Township Hall.

Present were members Roger Crimmins, John Jilbert, Gary Johnson, Jennie Hendrickson, Ikey Todd and Norine Maki. Chairman Chuck Hurst attended by telephone. Special Guest was Don Keim, Senior Bond Consul for Miller Paddock and Stone, the Township's bonding attorneys.

The Board was informed that Jon Bessolo had resigned due to work conflicts. The Township Board had appointed Kim Isaacson to replace Jon, and Kim was present at the meeting.

Mr. Keim gave a presentation on the history of Tax Increment Financing Authorities, and how they relate to our activity. He then answered specific questions from the Board and audience.

The next meeting will be scheduled when the Project committee has data pulled together for discussion on the dam/spillway.

Chairman Chuck declared the meeting adjourned. Adjournment time was not noted.
