

REPUBLIC TOWNSHIP WATER SYSTEM NOTICE OF PROJECT PLAN PUBLIC HEARING

The Republic Township will hold a public hearing on the proposed Water System Improvements project for the purpose of receiving comments from interested persons.

The hearing will be held at 4:00 p.m. on July 1st at the following location: Republic Township Office located at 279 Kloman Avenue, Republic, MI.

The purpose of the proposed project is re-move and replace existing water service lines as they are encountered during the USDA RD Water Main Project. The intent of the project is to comply with the Michigan Lead and Copper Rules.

Project construction will involve the removal and replacement of existing water services that are made of lead or galvanized metal.

Impacts of the proposed project include the removal and replacement of water services and the necessary surface improvements.

The estimated cost to users for the proposed project will be \$300,000.

Copies of the plan detailing the proposed project are available for inspection at the following location(s):

Republic Township Office, 279 Kloman Avenue, Republic, MI.

Written comments received before the hearing record is closed on July 1, 2021. will receive responses in the final project plan. Written comments should be sent to: mtreado@upea.com
